On the following pages of this .pdf are forms for you to create your custom Family Birthstone Tree. Choose from the Traditional rectangle, Family Christmas Tree or Oval designs. The Family Birthstone Tree is a lovely way to show your family how much they mean to you. Given to your parents, grandparents or spouse, it is sure to be a lasting remembrance of what they cherish most: their family.

Your Family Birthstone Tree is beautifully engraved in bronze with each person's name, birthdate, and sparkling birthstone. The engraving is framed in beautiful walnut or mounted on a richly finished walnut plaque, ready to display in a place of honor.

INSTRUCTIONS:

On the order form, fill in the names and birthdates of your family members. We suggest that the parents or grandparents names go in the center heart of the tree. Put the family surname at the root of the tree, the title of the occasion at the top, and the date of occasion or wedding date under the tree. Family units are usually grouped around the individual branches. Do the best you can and questions will be resolved in the proofing process. ***It will be beautiful – guaranteed!***

We would like to share the following testimonials with you because they really mean a lot to us.

“My siblings and I purchased a Christmas Family Tree in 1979 and had all our names, our spouses' names and our children's names and birthstones put on the Tree. Our mother kept the Tree updated with new grandchildren and great-grandchildren faithfully. Our father died in January, 1980, but Mom just recently passed away. The Birthstone Family Tree was always the first thing she showed visitors to her home. We were torn about what to do with the Tree; we discussed passing it around to let each family have it for a short time each year, but in the end, we decided that it belonged to Mom and Dad. We buried the Tree with our mom on 8/22/01. We loved our mom and she loved her Tree. I am very thankful that she had 22 years of joy from that Christmas gift in 1979. Thank you for the beauty that you Trees bring into the world.

My son and his wife are now in the process of designing a Tree to start a new tradition for their family. Everyone at the visitation was amazed at the beauty of the Tree and most people remarked that they had never seen anything like it. Now that I have found your Web site, I'm sure that you will be hearing from others.” Thanks again. God Bless You.

“We are very pleased with our Family Tree. We plan on ordering a couple more for gifts.”

“I received my Tree this afternoon. It is all that I had hoped it would be as a birthday present for my mother this April. I have to say, “Wow, what a turn around.” I was figuring on a “normal” 4-6 week delivery, not a 1 week delivery. Now I have to figure out where to hide this until her birthday.”

“It's one of the most meaningful gifts I have ever received. We really enjoy ours.”

“A beautiful reminder of memories. Such a treasure. It's an heirloom.”
